

Youth Leadership Cary

Students apply online at:

Youth Leadership Cary is an exciting program that began in 1998 at the Cary Chamber of Commerce. Designed to focus on developing the potential of future leaders, the program covers a wide variety of topics that will help participants understand critical parts of how businesses, communities and individual leaders work together. This understanding and knowledge will put students in a position to make a difference and be a true leader as they face the future.

Through a specific application process, students at several area high schools will be invited to participate in the program. Eight juniors will be selected from each of the following area high schools: Athens Drive, Cary, Green Hope, Middle Creek and Panther Creek. The group will meet once monthly for five months in all day sessions relative to the monthly topic.

This year's applications for YLC will be taken from **October 1, 2018 through October 10, 2018, at 3 P.M.** Students who are selected to be interviewed will be notified via email by October 12. Interviews will be conducted during the school day on October 16. Finalist notifications will be made by October 17 at 3 P.M.
